

UP2DATE

THAT´S WHAT KEEPS YOU RUNNING!

Knorr-Bremse Genuine Remanufactured EconX® Brake Calipers portfolio now includes SB7 radial for bus applications

No compromise in terms of functionality and safety with Knorr-Bremse EconX Brake Calipers.

EconX Brake Calipers for trucks, buses and trailers are the ideal solution for repairs that take account of a vehicle's current value. Since lifetime of the product is matched to the remaining life expectancy of the vehicle, EconX Brake Calipers are a cost-optimal service solution.

With extensive field experience from supplying and supporting nearly 40 million Air Disc Brakes to the market, and full know-how of managing genuine products and processes, Knorr-Bremse is confident that EconX Brake Calipers will increase your vehicle's uptime.

Don't take any risks when it comes to value-oriented repair of commercial vehicles – choose Knorr-Bremse genuine remanufactured products.

At a glance

- › High operational reliability thanks to Knorr-Bremse's manufacturing excellence
- › Increased vehicle uptime thanks to assured parts availability powered by an extensive network of distribution partners
- › Highly competitive thanks to original parts manufacturer quality and exceptional offer commensurating with the vehicle's current value
- › Greater sustainability thanks to CO₂ savings of up to 73 % during production compared to a service new product
